SEARCH REQUEST FORM

Scientific and Technical Information Center

Requester's Full Name: ___GEORGE ENG___ Examiner # : __74626__ Date: _1.22.04_
Art Unit: _2643_ · Phone Number 30_8_-_9555_ Serial Number: __09/263,812__
Mail Box and Bldg/Room Location: __8A19__ Results Format Preferred (circle): PAPER (DISK) E-MAIL

If more than one search is submitted, please prioritize searches in order of need.
****

Please provide a detailed statement of the search topic, and describe as specifically as possible the subject matter to be searched. Include the elected species or structures, keywords, synonyms, acronyms, and registry numbers, and combine with the concept or utility of the invention. Define any terms that may have a special meaning. Give examples or relevant citations, authors, etc, if known. Please attach a copy of the cover sheet, pertinent claims, and abstract.

Title of Invention: _Restaurant Videoconferencing System and Method_
Inventors (please provide full names): _William G. Miller and Richard Phipps_

Earliest Priority Filing Date: __03/09/98__

For Sequence Searches Only Please include all pertinent information (parent, child, divisional, or issued patent numbers) along with the appropriate serial number.

- Combine restaurant services with video conferencing and multi-media access so that a conferee located in a restaurant in a first geographic location, i.e. Washington DC is able to communicate with another conferee in another restaurant in a second geographic location, i.e. New York. via a private network.

Search Notes

Dear Examiner Eng,

Attached are the search results (from commercial databases) for your case.

Color tags mark the patents/articles which appear to be most relevant to the case. Color of tag has no significance. Pls review all documents, since untagged items might also be of interest. If you wish to order the complete text of any document, pls submit request(s) directly to EIC2600 Reference Staff located in PK2-3T05.

Please call if you have any questions or suggestions for additional terminology, or a different approach to searching the case. Finally, pls complete the attached Search Results Feedback Form, as the EIC/STIC is continually soliciting examiners' opinion of the search service.

Thanks,
Carol

     Apple Cafe
     From Apple Computer Inc., Apple **Cafe** is scheduled to open in Los
Angeles later this year. It is designed to accommodate 250 persons -
smaller than most eatertainment venues - and offers a 'menu' of CD-ROMs,
internet   access , **video   conferencing** and games. Unlike most
restaurants that rely on high turnover for profit, Apple **Cafes** will
encourage customers to linger over the computer and pay an access fee for
technology...
